

Pedregal de La Paz

When Don Manuel Díaz Rivera described Pedregal de La Paz as **"a place where peace and harmony sit in every corner and tranquility resides in the heart"** he couldn't have put it better. Pedregal de La Paz gathers this entire concept in the best amenities the city can provide.

La Paz is a peaceful city with it's own pace blending the deep blue ocean with Baja's dramatic desert in a place blending the deep blue ocean with Baja's dramatic desert in a place that fulfills your heart with joy in a personal and casual environment. **180° commanding views** to the World's greatest aquarium just across the street from the sea and the end of famous La Paz Malecon. Build your dream home or just bring your toothbrush and bathing suit to start living the pure life in Villas Aguamarina Pedregal homes.

Last, but not least, you'll be able to enjoy the benefits of a great investment with an average annual appreciation of 26.7%.

Many are looking for peace and we are fortunate to live in it.
